

CBO Projections: Senate Health-Care Bill's Costs

What the Democrats *call* the "first 10 years" (2010-2019)

Percentage of "10 year" costs that hit in the first 4 years: **1%**

The *true* first 10 years (2014-2023)

True first-10-year costs: **\$1.8 Trillion**

All numbers from the CBO. Chart produced by Jeffrey H. Anderson, Senior Fellow, Pacific Research Institute; for further analysis, see *New York Post*, Nov. 20, 2009 http://www.nypost.com/p/news/opinion/opedcolumnists/another_set_of_cooked_boks_loFmlm5OEIdYuzuJySXBaN
